

## INCLEMENT WEATHER

\*St. Paul Lutheran makes its own decision for delayed openings, early dismissals and closures of school that are a result of inclement weather.

\*Whenever weather predictions call for possible ice/snow conditions, we will notify **WBAL TV Channel 11** and **WBAL Radio 1090AM** to alert the community of closing or delays.

\*If school is delayed 2 hours

\*ECC Morning enrichment will open at 8:30 am. This is for children who attend from 7:00 to 6:00.

\*Half day students should not attend.

\*School day students can come in at 10:15am

\*If school dismisses early there will be no aftercare.

\*Please listen to **WBAL** for information on closings and look for St. Paul Catonsville. This information can also be found on the WBAL website.
